

### EXPECTATIONS AT EASTSIDE CONNECTIONS SCHOOL

Please initial that you have reviewed and agree to each expectation before signing

- \_\_\_\_\_ Niles Community Schools will NOT provide daily transportation for any Eastside Connections School (ECS) student.
- \_\_\_\_\_ Attending school is critical for learning. Students MUST maintain a 90% on time attendance status to maintain their ECS placement.
- \_\_\_\_\_ Research clearly shows that parents who volunteer in their child's school have successful students who excel in learning. Volunteering throughout the school year is both needed and an expectation. Each family is expected to volunteer 10 hours per year.
- \_\_\_\_\_ Students attending ECS will participate in a culture of trust, respect and responsibility.
- \_\_\_\_\_ Students will be held to high academic and behavior expectations. Student's discipline record from the previous school will be reviewed before being accepted.
- \_\_\_\_\_ Students who are disruptive to the learning culture at ECS may be transferred to another elementary school in our district.
- \_\_\_\_\_ Students attending ECS are required to wear a school specified uniform.
- \_\_\_\_\_ Students attending ECS are committed for at least one school year.

The success of ECS is based on the students' hard work, dedication of staff, and supportive parents who dedicate hours in a variety of capacities. Please let us know why you feel Eastside Connections School is the school that best meets the needs of your child(ren). You may continue your response on the back if additional space is needed.
