

Niles Middle School Soccer

Boys and Girls Soccer Program
Ring Lardner, Eastside, Southside & Niles Home School

The Jr. Viking soccer program is open to all Niles 6th, 7th & 8th grade students. The boy's registration ends June 1st. Conditioning starts in July. Practices begin in August. Games are in September and October. The girl's registration ends January 1st. Conditioning starts mid January. Practices begin in March. Games are in April and May. We normally play twelve games: six at home and six away. All home games will be at the soccer field behind Ballard Elementary. Players must provide their own transportation for away games. The Jr. Viking's main goal is to prepare the players for the high school soccer program. There is a limit to the number of players we can have on a team. Don't miss out. The cost per player is only \$90. This helps cover the team's entry fee, uniforms & referees. If a player uses their previous uniform the cost will only be \$50. All checks are to be made out to **Niles F.C.** . Please fill out and send this registration form & fee to 1425 Maple St., Niles, MI. For any questions you may email coachbpwright@gmail.com
