Behavior Expectations Guiding Principles:

I am: Respectful * I am: Responsible * I am: Resilient

Niles Community Schools inspires and prepares all learners through diverse opportunities to challenge the present and enrich the future.

Dear Parents,

Welcome to Niles Community Schools. This handbook was developed to answer many of the commonly asked questions that you may have during the school year and to provide specific information about certain Board policies and procedures. This handbook contains important information that you should know. Become familiar with the following information and keep the handbook available for frequent reference. If any of the policies or administrative guidelines referenced in this document are revised after **June 30, 2022** the language in the most current policy or administrative guideline prevails.

The first seven sections provide general guidelines and policies that are followed within all Niles Community Schools' elementary buildings: Eastside, Northside, Howard-Ellis and Ballard. Section VIII will provide you building specific information. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal.

Respectfully,
Your Niles Community Schools Leadership Team

Adopted by the Board of Education on June 16, 2022.

Should your child require immediate medical attention, all attempts will be made to notify you via phone or one of your emergency contact persons prior to transporting your child to the closest and most appropriate facility.

Following are two ways we teach our students to cover a cough (or sneeze) which will help reduce the spread of germs: 1) Cough into a tissue and 2) Cough into your upper sleeve or elbow. You could help by encouraging this at home as well. By using either of these methods you can reduce the spread of germs.

For your child's well-being and to prevent the spread of communicable diseases, please do not send your child to school if (s)he has one or more of the following symptoms:

- Fever (within the past 24 hours)
- Vomiting (within the past 24 hours)

- An informational handout is given to the parent on how to treat the lice and information on re-entry back into school.
- Before a child can return to the classroom, he/she must be lice/nit free. The parent will bring him/her to the office to be checked before reentry into the physical classroom setting is permitted.
- If a Bed Bug is found in a classroom, parents of the students in the classroom will be notified, the classroom will be inspected and licensed pest control specialist will treat the classroom.

Immunizations

Students MUST be current with all immunizations required by law or have an authorized waiver from State immunization requirements. Any questions about immunizations or waivers should be directed to the building secretary.

Use of Medications

A Doctor must complete and sign the Medication Permission and Instruction form available in the school office for prescription medication required during school hours (or use the link below). Blood/Bodily Fluids

We have special policies to follow when a child has been bleeding or has any bodily fluids on his/her clothing. ***Bodily fluids are vomit, diarrhea and blood.* Michigan law requires that a child that has bodily fluids on his/her clothing cannot be exposed to other children. Limited English Proficiency

Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the District. Those students identified, as having limited English proficiency, will be provided additional support and instruction to assist them in gaining English proficiency.

Homebound Instruction

The District shall arrange for individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability. School officials, when transferring student records, are required to transmit disciplinary records including suspension and expulsion actions of the student.

Intradistrict Transfers

Parents may apply for intradistrict transfers prior to the start of each school year. An intradistrict transfer is when parents/guardians wish to enroll their student(s) at a school other than the designated school that is in their attendance area

within Niles Community schools. Transportation to and from school must be provided by the parents/guardians. Applications are emailed to parents after the enrollment process is complete.

Emergencies in Buildings When First Responders Are Involved

Unfortunately, emergencies do occur from time-to-time in our schools and in the community that could result in a lockdown or other action. During such matters, the safety and well-being of our students, employees and staff is our primary concern. While we value informing parents of any emergency as soon as possible, our first responders strongly request that we not release any public statement until they have an opportunity to assess the entire situation. This serves two primary purposes:

- 1) It allows all of our people to work with the first responders to ensure the safety of our students and employees and
- 2) In the early stages of the emergency we may not have all of the necessary facts to share with you and we do not want to release misinformation. In this day of social media and cell phones, we realize you may hear about an event before you hear from us. Unfortunately, we can't control the dissemination of all information. However, we have extensive plans in place, work very closely with our first responders, and always put safety first.

In consultation with emergency personnel, we will provide parents with accurate information as soon as possible.

Emergency Operating Procedures

- The school complies with all fire safety laws and will conduct fire drills in accordance with State law.
- Tornado drills will be conducted during the tornado season using the procedures provided by the State.
- Lock down drills in which the students are restricted to the interior of the school building and the building secured will occur a minimum of two (2) times each school year.
- The schools have specific procedures outlined and on file for additional emergencies.

Emergency Closings and Delays

During inclement weather, please listen to your radio or TV for school closings or shortened days. The following stations will be notified and some or all of them will broadcast the information, depending on the time school officials make the decision.

ABC57

WNDU

WSBT

All emergency information relative to early dismissals, delays, or closure will be posted on building and/or district websites. In the event of an early dismissal based upon weather, building issues, power outage, etc. parents are notified and procedures are followed according to the information from the Child Emergency Closing Form. Changes in information on this form (and school emergency cards) are the responsibility of the parent.

Preparedness for Toxic and Asbestos Hazards

[Asbestos Hazard Emergency Response Act \(AHERA\) Notification Requirements](#)

Complaint Processes

If you are unable to resolve your concern or question after consulting with the teacher you should schedule an appointment with the principal. Call the office and leave a message with the secretary *“that you would like to speak with or schedule an appointment with the principal.”* If you are unable to resolve your concern or question after your appointment with the principal, you can call the superintendent’s office and your complaint will be forwarded to the appropriate official. If your complaint is still unresolved after working with the appropriate official, you have the right to a hearing in front of the Board.

Parental Grievance Process

See Board Policy [9130 - PUBLIC COMPLAINTS](#)

Weather & Recess

Children have the opportunity to play outdoors daily. Students will not go outside if the temperature or wind-chill is below 10 degrees Fahrenheit.

SECTION III—ACADEMICS

K-8 Curriculum

Our curriculum is unique to each program, and developmentally appropriate for each student. Small group and differentiated instruction ensure that every student is successful in meeting the objectives for the student’s specific program and/or individual student plan. Niles Community Schools maintains a curriculum that:

- Supports each child’s rate of development;
- Provides the foundation for school readiness and later school success;
- Integrates health, mental health, and nutrition into school activities;
- Helps children develop emotional security and social skills; and
- Balances activities to enhance all areas of a child’s development

Homeschool

Additional course offerings are available at <https://www.nileshsp.com/courses.html>

Review of Instructional Materials and Activities

Parents have the right to review any instructional materials being used in the school; they also may observe instruction in any class. Any parent who wishes to review materials or observe instruction must contact the principal prior to coming to the school. Parents’ rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

Field Trips

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school’s co-curricular and extra-curricular program. A student’s disruptive behavior will be taken into consideration for a student to participate. No student may participate in any school-sponsored trip without parental consent.

See Routine Transportation sign off (section VIII)

Grades

Each program has a standard grading procedure; your teacher will provide you with detailed descriptions of your child's measure of their achievement. Parents and students are encouraged to check academic progress through PowerSchool. This is a service to parents, which allows them to monitor how their child is doing. Log in information will be sent home at the beginning of the school year. If you have not received your log in information, please contact your child's school's office.

Parent Teacher Conferences

Parents will be continually informed on student progress throughout the year. However, two times a year, parent teacher conferences are held either in-person or virtually to help us foster family involvement by building a relationship with you, learning more about your expectations for your child and discussing how we can work together to help your child be successful. You may also request a parent teacher conference any time throughout the year.

Title I

We receive Title I federal funds to assist us with providing quality programming for our students.

- You have the right to request specific information about the professional qualifications of your child's classroom teacher and about any paraprofessional (instructional assistant) who provides Title I services to your child. You may request this information from: Dr. Ann Bingham, Director of Personnel, Niles Community Schools, 1 Tyler St. Niles, Mi. 49120
- If your child has been assigned a teacher who does not meet applicable State certification or licensure requirements, you will be notified in writing if that teacher has taught your child for more than four consecutive weeks. In this situation, notification will be made no later than the end of the fourth consecutive week and will be provided to you in an understandable format and, to the extent practical, in a language that you can understand.

Federal regulations require that each district adopt procedures for receiving and resolving disputes pertaining to the Title I program. Please contact the Niles Community Schools Curriculum Office at 269-683-0736 for further information regarding the district's disputes resolution policy.

See School Compact (section VIII)

Student Assistance Team Process

Our primary goal is to develop successful students in academic and behavioral areas. If your child is having significant learning or behavioral problems, the general education teacher will have been in touch with you, and together you have probably worked on possible solutions for your child's success. If continued support is needed, a Student Assistance Team (SAT) is activated. This team is comprised of multiple educators and educational support personnel; it is an "in house" problem solving team to help students be successful. If at any time you are concerned about your child's progress, please begin discussion with his or her teacher, and you are always welcome to bring your concern to the principal.

Scheduling and Assignment

The principal will assign each student to the appropriate classroom and program. Any questions or concerns about the assignment should be discussed with the principal. Final right of assignment lies with the principal or their designee.

Promotion, Placement, and Retention

Promotion to the next level is based on the following criteria and is determined through collaboration with families. Final right of assignment lies with the principal or their designee.

- Current level of achievement
- Potential for success at the next level
- Emotional, physical, and/or social maturity

SECTION IV—STUDENT ACTIVITIES

School-Sponsored Clubs and Activities

Extra-curricular activities do not reflect the school curriculum, but may be made available to students to allow them to pursue additional worthwhile activities. Non-school-sponsored student groups organized for religious, political, or philosophical reasons may meet during non-instructional hours. The application for permission can be obtained from the principal. All school rules will still apply regarding behavior and equal opportunity to participate.

No non- district-sponsored organization may use the name of the school or school mascot.

See Specific School Activities (section VIII)

SECTION V—STUDENT CONDUCT

Attendance

The Board of Education, as an agency of the State, is required to enforce the regular attendance of students. The Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other essential learning activities. **5200 – ATTENDANCE** As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel. Regular attendance means being absent no more than 5% of school days in session. For example, in a 180 day school year, regular attendance is equal to 0-9 days absent. Absences greater than 10 days put your child at risk academically.

- **ABSENCES:** All absences must be reported by telephone or through written notification to the school. Office hours are 7:30 A.M. – 3:30 P.M. If an absence is not reported by phone, you will receive an automated call. The parent should send a note to the teacher when the child returns explaining the child's absence if not reported by phone. In the event that your child will be absent for three or more days (e.g. family vacations, childhood diseases), homework assignments will be provided upon request. Please give the teacher 24 hours of advance notice for homework requests.
- We believe regular attendance is essential to school success. Notification of absences is as follows:

Data Point 1: (40 days) <ul style="list-style-type: none">• Regular = 0-2 days absent• At risk = 3 days absent• Chronic = 4 or more days absent• Severe Chronic = 8 or more days absent	Data Point 2: (80 days) <ul style="list-style-type: none">• Regular = 0-4 days absent• At risk = 5-7 days absent• Chronic = 8 or more days absent• Severe Chronic = 16 or more days absent	Data Point 3: (120 days) <ul style="list-style-type: none">• Regular = 0-6 days absent• At risk = 7-11 days absent• Chronic = 12 or more days absent• Severe Chronic = 24 or more days absent
Data Point 4: (160 days) <ul style="list-style-type: none">• Regular = 0-8 days absent• At risk = 9-15 days absent• Chronic = 16 or more days absent• Severe Chronic = 32 or more days absent	Data Point 5: (180 days) <ul style="list-style-type: none">• Regular = 0-9 days absent• At risk = 10-16 days absent• Chronic = 17 or more days absent• Severe Chronic = 34 or more days absent	Excessive tardiness may result in unexcused absences.

- The school reserves the right to ask for verification (i.e., doctor's notes) for the cause of any absences. If, at any point during the school year, your child's absences are considered chronic, he or she will be referred to an attendance intervention program.
- The Board may report to the Intermediate School District infractions of the law regarding the attendance of students below the age of sixteen (16). A truant officer will be notified when 10 or more unexcused absences have occurred.

Tardy Policy

Students will be considered tardy if they are not in their class 10 minutes after the start of school and 10 minutes prior to school dismissing.

Bullying and Other Aggressive Behavior Toward Students

Bullying is intentional behavior initiated by one or more students directed toward other student(s). Bullying exists when a student with more social and/or physical power deliberately dominates and harasses another with less power. Bullying is unjustified and typically repeated. Bullying/Harassment of students is prohibited, and will not be tolerated. Any student that believes she/he has been/or is the victim of bullying or harassment should immediately report the situation to the teacher, the principal or assistant principal, or may report it directly to the Superintendent at [269-683-0732](tel:269-683-0732). All reports of bullying will be investigated. Consequences for bullying will range from a warning to expulsion, depending on the severity and number of previous offenses.

See Board Policy [5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS](#)

OK2SAY

OK2SAY is an anonymous hotline that students, staff and community members can use to report and help stop harmful behavior. The goal of OK2SAY is to stop harmful behavior before it occurs by encouraging anyone to report threatening behavior to caring adult authorities who can help. OK2SAY encourages Michigan residents to confidentially submit tips 24/7 using the OK2SAY mobile app, online, email, texting, or by calling trained program technicians. Upon receipt of a tip, specially trained OK2SAY technicians address the immediate need and forward the information to the appropriate responding law enforcement agency or organization. Tips go to schools, local law enforcement agencies, community mental health agencies or the Michigan Department of Health and Human Services.

Bullying and Harassment

The District shall provide, and all administrators, school employees, contracted employees and volunteers who have significant contact with students will undertake annual training on preventing, identifying, responding to, and reporting incidents of bullying and other aggressive behavior.

Acceptable Use of Technology

Niles Community Schools (NCS, or Schools) strongly promotes the use of electronic information technologies in educational endeavors. Schools provide access to information resources in a variety of electronic formats, which allows students to access resources, communicate in a technologically rich environment, make informed choices, and become self-directed, responsible, and accountable life-long learners.

Definitions (Information Resources)

- *Network* includes, but are not limited to, all voice, video and data systems.
- *Equipment* includes, but is not limited to, network infrastructure, computers, disk drives, keyboard & mice, multi-function photocopiers, printers, scanners, video and audio players/recorders, cameras, and telecommunications.
- *Software* includes, but is not limited to, local applications (code, script, or service), network applications (code, script, or service), audio/video/media programs, and print/fax processing.

- *Materials* include, but are not limited to, files, pictures/images (still or motion), sounds, and text or dialogue (in any language).
- The *Internet* is a global network connecting millions of computers. More than 100 countries are linked together through the exchange of data, news and opinions.

The purpose of this document is to identify and communicate standards that will assist in ensuring students benefit from their use of the Schools' network and the Internet.

The Internet allows for the exchange of information and ideas on a wide range of subject matter. An emphasis on *Digital Citizenship* is crucial to development of 21st Century Skills. With access to computers and people all over the world, there also comes the availability of materials that may not be considered an educational value in the context of the school setting.

While NCS implements Internet filtering, it is impossible to control all materials on a global network. As such, students may encounter materials that are personally considered obscene, abusive, or otherwise offensive. NCS firmly believes that information and the interaction available through the network outweighs the risk that students may access materials that are not consistent with the educational goals of NCS.

Use of the NCS Network

Use is ultimately governed or supported by Board Policies:

- 7540 - COMPUTER TECHNOLOGY AND NETWORKS
- 7542 - ACCESS TO DISTRICT TECHNOLOGY RESOURCES FROM PERSONAL COMMUNICATION DEVICES
- 5136 - PERSONAL COMMUNICATION DEVICES
- 5500 - CODE OF CONDUCT
- 5513 - CARE OF DISTRICT PROPERTY
- 5517 - ANTI-HARASSMENT
- 5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS
- 5600 - STUDENT DISCIPLINE

The use of Niles Community Schools' network is a privilege, not a right. Students who fail to comply with the district policies and guidelines while using the network may lose the privilege to access the network. Students may also lose the privilege to use equipment provided by the School or to bring their own computerized devices to school. Additionally, students may be subject to other disciplinary action or financial liability as appropriate based upon the nature and severity of the violation.

All students who are granted access to Internet resources through NCS, whether on or off of district property, will have read, signed and accepted the Student Acceptable Use Policy agreement. This will typically occur as a function of the Student Handbook process. NCS will revoke network and Internet access to any student who does not have a properly signed agreement on file with the school they attend. In the case of students under the age of 18, parental consent and signatures will be required before access will be granted.

All account holders ("users") of the NCS network will be granted access to select services the network offers based on grade-level and curriculum needs.

Students who are currently enrolled in the district may be granted an individual network account or access to a shared account following agreement to the terms and conditions of this policy.

All accounts, software and materials created or stored on NCS equipment or within the NCS network are the property of Niles Community Schools. Users should have no expectation of privacy regarding documents, files, e-mail or other media created or stored using district technology, and should understand that all items may be reviewed at any time without knowledge or consent of the user.

General Rules

The scope of this agreement extends to all NCS network, equipment, software and materials whether being used on or off of the district's property. Furthermore, the user(s) of technology:

- Should have appropriate experience or instruction before using the technology.
- Are to use the network, software and materials during instructional time only for facilitating learning and enhancing educational information exchange consistent with the purposes of NCS.
- Are responsible for the reasonable care of technology, including hardware and software while in their possession or while they are using it. Failure to maintain reasonable care may result in a financial liability to the student or student's parent/guardian.
- Will report any damage or problems with equipment, software or materials immediately upon discovery to the teacher or building principal.
- Are responsible for the security of their account. Passwords should be considered confidential and not shared with anyone else.
- Are discouraged from leaving their account logged in and unattended.
- Are expected to have all media (e.g. CD/DVD, USB drives) scanned for contamination, which might endanger the integrity of district's network, equipment or software before they are used.
- Shall adhere to specific rules established for the use of network, equipment and software in building media centers/labs.

Acceptable Uses

Technology may be used ...

- to further instructional goals and mission of the district;
- in the creation of files, digital projects, videos, web pages and podcasts using network resources in support of education and research;
- to participate in video conferencing, weblogs, wikis, bulletin boards and groups with the creation of content for podcasts and webpages that support education and research or to enhance educational information exchange;
- with parental consent, for online publication of original educational material, curriculum related materials and student work.

In accordance with its obligations under the Children's Internet Protection Act, NCS has undertaken efforts to educate students about appropriate online behavior, including cyber bullying awareness and interactions with individuals on social networking websites.

During classroom activities, the classroom educator/teacher/facilitator will supervise student internet use in a manner that is consistent with the educational objectives of the district and this policy.

Student Responsibilities

Use of the Internet by students must be in support of education and research and must be consistent with the educational objectives of the corporation.

Network etiquette expects that the student abide by the following guidelines. These guidelines include, but are not limited to:

- Students are expected to be courteous and respectful. The use of vulgar, obscene, lewd, and otherwise inappropriate language is prohibited. Students shall not engage in cyber bullying.
- While the Internet itself has virtually boundless resources, the availability of local communication and storage resources is limited. Since list servers and mail servers can generate a significant amount of data to be stored, students are expected to “clean up” their files or mailboxes at appropriate times so as to not create a storage problem on the host server.
- All communications and materials obtained via the network or the Internet should be assumed to be intellectual property subject to federal copyright law.
- Any attempt to compromise network security is prohibited. Any student identifying a possible breach in security must notify a school administrator, teacher or the district’s Technology Director.

If a student is uncomfortable or feels harassed, intimidated, or threatened by information or materials that s/he receives over the Internet, s/he should tell a teacher, principal, or other school administrator immediately. Likewise, if a student is asked by another Internet user to stop emailing or contacting them, the student must stop all contact immediately.

If a student inadvertently identifies or is presented inappropriate materials on the Internet while doing legitimate research, the student is expected to notify the teacher, principal, or other Schools' administrator.

Outside of school, families bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, telephones, radio, movies and other possibly offensive media.

Laptops and Personal Computing Devices

Assignment of District-Owned technology [1-to-1] (Care of District Property):

Students or their parent/guardian are responsible for the proper care of technology equipment at all times, whether on or off district’s property, including any costs associated with repairing or replacing the equipment if student is deemed negligent of reasonable care. Purchase of optional insurance is recommended.

Checkout of technology for non-classroom use must be in accordance with building and Board Policy (Lending of District-Owned Equipment):

Students or their parent/guardian are responsible for the proper care of technology equipment at all times, whether on or off district’s property, including any costs associated with repairing or replacing the equipment if student is deemed negligent of reasonable care. Check with your home insurance carrier for applicable coverage.

Use of personal computing devices must be in accordance with Board Policy (Personal Communication Devices):

Additional Guidelines for Use :

- Personal computers and other personal communication devices in use on the NCS network are subject to inspection by a teacher or administrator at any time.
- Students may only use personal laptops or other personal communication devices in accordance with NCS' Acceptable Use Policy and applicable Board Policy.

Restrictions and Disclaimers

- NCS accepts no responsibility or financial liability for personal laptops or other personal communication devices that are brought to school by students.
- Personal computers or other personal communication devices that are lost, stolen, or damaged are the responsibility of the student and his/her parents/guardians, regardless of how the loss, theft, or damage occurs.
- Students are advised to take steps to guard against damage, loss, or theft, including the optional purchase of appropriate insurance.
- The district's technology department will not provide technical support for any personal laptop or other personal communication device.
- Students and his/her parents are responsible for compensating the Niles Community Schools for any losses, costs or damages incurred by the district for violations of Board Policies/Administrative Guidelines and school rules while the student is using the district technology network, equipment or software, including the cost of investigating such violations. The district assumes no responsibility for any unauthorized charges or costs incurred by a student while using equipment or 3rd-party Computer Services. The student and his/her parents/guardians are similarly responsible if the student takes any action with network, equipment or software that has the purpose or effect of voiding any warranty in effect covering such equipment or of providing students access to software that are available other than at the software source authorized for use by the district.

Consequences of Inappropriate Use of Technology, Computer(s) and the Network

- The building administrator will determine inappropriate use based on this Acceptable Use Policy. Their decision is final. The building administrator may close an account at any time.
- Any person who does not comply with the Acceptability Use Policy may lose or have restricted privileges of use. Repeated or severe infractions of the policy may result in permanent termination of privileges.
- Users violating any of these rights and responsibilities may face additional disciplinary action deemed appropriate in keeping with policies as stated in the student code of conduct, student handbook or policies of The Board of Education.

SECTION VI—TRANSPORTATION

Families attending Eastside Connections School must provide their own transportation. Field trip transportation is often provided by First Student.

First Student

Together First Student and the Niles Community Schools have developed this document to outline the standards of student conduct that we believe will assure each child a safe bus ride when attending school field trips. This document provides guidelines on acceptable and unacceptable behavior and possible disciplinary actions.

School Bus Rules and Regulations

1. Students must listen to the driver and follow the driver's directions. The driver has the authority of a classroom teacher.
2. Students are to conduct themselves on the bus in such a way that will not distract the driver. Distracting the driver puts everyone on the bus at risk.
3. If crossing the street to board the bus, students **MUST** look both left and right for cars, make sure the **RED** lights are flashing, and wait for the driver's **signal to cross**. Always cross the street in **FRONT** of the bus.
4. Before boarding and after exiting the bus, students must keep a safe distance from the bus. Keep at least 10 FEET away from the bus.

5. Students are to enter the bus promptly, immediately take their seats, and remain in their assigned seat whenever the bus is moving.
6. Students must ***remain properly seated*** at all times. (Back to Back; Bottom to Bottom; Book bag on the lap)
7. Outside of ordinary conversation in a normal tone, classroom conduct is to be observed when on the bus. The driver has authority to prohibit any conversation.
8. No spraying of colognes, perfume or body sprays while on the bus.
9. Students are not to throw objects of ***any kind*** either inside the bus, out of the bus, or around the bus.
10. Students should help keep the bus clean, sanitary, and orderly. They must not damage or abuse bus seats or equipment.
11. Students are ***not*** to use abusive language or profanity, obscene or rude gestures, or spit while on the bus.
12. Students may ***not*** bring large musical instruments, any animals, balloons, glass containers or objects, or large school projects onto the bus unless this has been prearranged.
13. Students are not to leave the bus without the driver's permission, except on arrival at their assigned bus stop or at their assigned school.
14. No parents, grandparents or guardians are allowed on buses, without permission or prior approval has been received by Niles Community Schools and First Student.
15. Student are prohibited from using WCD's to capture, record or transmit the words (i.e. audio) and or images (i.e. picture/videos) of any student, staff members or bus driver/aide.
16. By riding the bus, it is implied that all students and parents understand these rules and will abide by them. Stating that they did not know the rules does not excuse a student from misbehavior or infractions of the rules.
17. Students are not to touch the emergency equipment on the bus (emergency doors, windows, roof hatches, body fluid/first aid kits, 2-way radios, etc.) except as directed by the driver or during an actual emergency.
18. The bus windows should not be opened without permission from the driver.
19. Students are to keep all body parts inside the bus. (Hands, arms, head, hair, etc.)
20. Students are to keep ***their hands and feet*** to themselves. (No fighting; horseplay poking or pinching)
21. Students are not to eat or drink while on the bus.

Please review this information with your child to help him/her understand what is expected of them while riding a school bus. We take the safety of your children very seriously. A key part of that is to establish a safe and pleasant environment on the bus to and from school.

Prohibited Items

To keep the bus environment as safe as possible students may not bring the following items onto the bus:

Glass
 Animals
 Balls
 Bats
 Balloons
 Flowers
 School Project larger than can be carried on the child's lap
 Basketballs and any object that might be thrown
 Any object which might jeopardize the safety of others
 Cell phones and other electronic devices are not to be used on the bus and must be kept stowed in backpacks, pockets or purses.

Conduct and Discipline

Students are expected to behave in a respectful manner toward the driver and other students while waiting for and riding the bus. Fighting, bullying, bickering, horseplay and boisterous activities are not allowed. Drivers will try to prevent and resolve behavior problems as they arise by working directly with students. In cases of repeated misbehavior or serious misconduct the driver may issue a misconduct report to be taken to the parent/guardian. The misconduct report will contain a brief description of the inappropriate behavior. Please take this opportunity to discuss the inappropriate behavior with your child. Please sign and return the misconduct report to the driver with your child. If you have questions or concerns about the misconduct report please contact either the Manager or Supervisor at the Transportation Office at 269-684-1420.

The Niles Community Schools have adopted a District Code of Conduct which applies to all students at school, involved in school activities and on the buses. If you have questions regarding transportation, please contact:

SECTION VIII—EASTSIDE CONNECTIONS

PARENT INVOLVEMENT

- A minimum of 10 volunteer hours per family is required throughout the school year.
- All volunteers must pass a background check prior to volunteering at Eastside Connections School. There are no exceptions to this rule. Visit the office to sign in upon arrival and sign out upon departure. Volunteers should also sign in/out on the classroom volunteer log.
- Matters of student behavior and academic achievement that may be observed while volunteering in the classroom are not to be discussed outside of the classroom.
- Student confidentiality is non-negotiable. If there is reason to believe that this confidentiality has been violated, parents will be asked to fulfill the remainder of their volunteer hours outside of the classroom.
- Volunteers are expected to dress appropriately. ECS has an elevated dress code and character expectations for the students. We ask volunteers to wear appropriate attire (garments should not contain holes, no tank tops or inappropriate t-shirts). The volunteer coordinator can be reached by stopping in the office, or by calling ECS' number 683-2585 ext. 10752, or by email.

SCHOOL DAY

Start Time: 7:45 a.m.

Dismissal: 2:46 p.m.

Half Day Dismissal: 10:46 a.m.

Arrival and Departure

Students should not arrive before 7:30 A.M. If your child needs to arrive earlier than this, this must be approved by the Principal. Students must be picked up at dismissal time. This is important because we do not have adequate supervision before or after teachers are on or off duty for the day.

PROBLEM/PROJECT BASED LEARNING

Problem/project based learning is real-world problems that capture students' interest and provoke thinking; as students acquire and apply new knowledge in a problem-solving context. Teachers become facilitators working with students to frame driving questions, structuring meaningful tasks, coaching both knowledge development and social skills, and carefully assessing what students have learned from their experience. Problem/project based learning:

- is organized around a driving question or challenge.
- creates a need to know essential content and skills.
- requires inquiry to learn and/or create something new.
- requires critical thinking, application skills, problem solving, collaboration, and various forms of communication.
- allows some degree of student voice and choice.
- incorporates feedback and revision.
- results in a presented product or performance.

CELL PHONE USAGE

Cell phones are not permitted for use during school hours. Classroom and office phones are available for use throughout the day when necessary.

ATHLETICS

Eastside Connections School provides a variety of athletic activities in which students may participate providing they meet any eligibility requirements that may apply. A student's use of a performance-enhancing substance is a violation that will affect the student's athletic eligibility and participation. For further information, contact Mr. Matt Brawley, the Athletic Director, at 269-683-2894. All athletic programs of the District shall comply with the concussion protocols of the Michigan High School Association, the requirements of state law, and Department of Community Health guidelines regarding concussion awareness training and protection of youth athletes.

ELIGIBILITY POLICY

(For 6th, 7th and 8th grade students participating in any Niles Community Schools Sports) The intent of our policy is to provide a reasonable academic and behavioral standard and at the same time allow an opportunity for students in jeopardy to quickly reinstate themselves. The standards for eligibility are as follows: Failing any class (would receive an F if a report card was issued) during the current week will make the student ineligible the following week. A suspension from school during the current week will make the student ineligible the following week, as well as during the time of their suspension. A copy of the ineligible list will be given to coaches, along with an alert list that identifies students who are eligible but experiencing significant difficulty. Students that are academically ineligible, may be allowed to participate in practices, but may not participate in games. Academically ineligible students will attend games, but sit behind the team. They will be allowed to ride the bus to away games, and should dress appropriately. Ineligibility runs for a full week, including Saturday

DANCES

Student behavior at the dances must be appropriate and consistent with that behavior expected during the regular school day. Disruptive students will not be allowed to stay. All students are to leave the dance as soon as it concludes. A student will be allowed to attend the dance as long as they were in school at least one half day on the day of the dance. Students may not attend the dance if they were assigned to OSS or ISS for the day.

DISPLAYS OF AFFECTION

Intimate public displays of affection are not allowed. This includes, but is not limited to, kissing, prolonged hugging, caressing, hand holding or inappropriate touching.
